

**(4) “Identified population subgroups” defined**

For purposes of this subsection, the term “identified population subgroups” shall include, but not be limited to, groups based on factors such as age, sex, or race.

**(c) Existing authority not affected**

This section does not place any limitations on—

- (1) the conduct or support of any scientific or medical research by any Federal agency;
- (2) the presentation of any scientific or medical findings or the exchange or review of scientific or medical information by any Federal agency; or
- (3) the authority of the Food and Drug Administration under the provisions of the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.].

**CHAPTER 85—ADMINISTRATION OF ENVIRONMENTAL PROGRAMS**

Sec.	
5401.	Establishment of Agricultural Council on Environmental Quality.
5402.	Office of Agricultural Environmental Quality.
5403.	Environmental Quality Policy Statement.
5404.	Good Neighbor Environmental Board.
5405.	Agricultural air quality research oversight.

**§ 5401. Establishment of Agricultural Council on Environmental Quality****(a) Establishment**

The Secretary shall establish an Agricultural Council on Environmental Quality in the Department of Agriculture (hereafter in this chapter referred to as the “Council”). The Council shall be under the direct authority of the Secretary, and shall be responsible for carrying out the provisions of this chapter, and for coordination and direction of all environmental policies and programs of the Department.

**(b) Membership**

Membership of the Council shall consist of the Secretary, the Deputy Secretary, the Assistant

Secretary for Natural Resources and Environment, the Assistant Secretary for Science and Education, other under and assistant secretaries as may be designated by the Secretary, and the Director of the Office of Agricultural Environmental Quality, established in section 5402 of this title, who shall serve as the Executive Director of the Council. The Secretary shall designate a member of the Council, other than the Executive Director, as chair of the Council.

(Pub. L. 101-624, title XIV, §1471, Nov. 28, 1990, 104 Stat. 3619.)

**§ 5402. Office of Agricultural Environmental Quality****(a) Establishment**

The Secretary shall establish an Office of Agricultural Environmental Quality in the Department of Agriculture (hereafter in this chapter referred to as the “Office”).

**(b) Director**

The Office shall be administered by a director who shall be appointed by the Secretary. The Director shall be an individual who has demonstrated technical expertise and experience in agricultural and environmental matters.

**(c) Staff****(1) Appointments**

The Director may appoint such employees as may be necessary to assist the Director in carrying out this section. Such employees shall include individuals who have professional expertise in matters related to environmental quality, including (but not limited to) agricultural production, water quality, wetland, wildlife conservation, soil conservation, and agricultural chemical usage.

**(2) Liaisons**

The Administrator of the Environmental Protection Agency and the Secretary of the Interior shall detail to the Office upon request of the Secretary, on a reimbursable basis, at least one employee, respectively, with expertise in matters related to agriculture and environmental quality. Such detailed employees shall serve as a liaison for their respective agencies with the Department of Agriculture to assist the Director in carrying out the provisions of this section. The term of the detail shall not exceed 3 years.

**(3) Additional staff**

Upon request of the Secretary, the head of any Federal agency is authorized to detail, on a reimbursable basis, employees of such agency to the Office to assist the Director.

**(d) Duties of Director****(1) In general**

The Director shall assist the Council in developing a departmental and agency-specific environmental quality policy statement and implementation plan and an annual agricultural environmental quality report, as specified in section 5403 of this title. The Director shall coordinate and monitor the activities of the Department regarding initiatives and programs related to environmental quality and

the interpretation of departmental policies affecting environmental quality. The Director shall serve as a member of the Council and as its Executive Director.

**(2) Additional duties**

The Director shall also be responsible for—

(A) recommending to the Council environmental protection goals and specific programs, initiatives, and policies that will balance the needs of production agriculture with environmental concerns;

(B) providing advice to the Council on the development, implementation, and review of activities of agencies of the Department to ensure consistency with the Department's environmental protection goals;

(C) coordinating environmental policy within the Department through the program managers, and between the Department and other Federal agencies, regional authorities, State and local governments, land-grant and other colleges and universities, and non-profit and commercial organizations, regarding programs and actions relating to environmental quality;

(D) serving as a coordinator for the Department's data, information, programs, and initiatives dealing with environmental quality;

(E) developing the plans and reports required as specified by this chapter; and

(F) providing such staff as may be necessary to support the activities of the Council.

(Pub. L. 101-624, title XIV, §1472, Nov. 28, 1990, 104 Stat. 3619.)

**§ 5403. Environmental Quality Policy Statement**

**(a) Environmental Quality Policy Statement, implementation plan, and annual report**

**(1) Policy statement**

The Council shall develop an Environmental Quality Policy Statement that identifies goals and objectives for addressing the effects of agriculture on environmental quality. The policy statement shall be based upon an assessment, in accordance with paragraph (2), of the current status and level of effort, in terms of staff and funding, of programs at the Department of Agriculture to evaluate, prevent, and mitigate environmental problems that may result from agricultural production. The policy statement shall be revised at least every 5 years.

**(2) Assessment**

The assessment under paragraph (1) shall include:

(A) Detailed descriptions of the roles of the involved Departmental agencies.

(B) A description of current efforts to coordinate the individual activities of each of the involved departmental agencies.

(C) Recommendations for precluding any undesirable duplication of efforts within the Department and among the Department and other Federal and State programs.

(D) Specific recommendations for new initiatives in monitoring, research, extension,

and technical assistance efforts to address present and potential environmental quality problems.

The assessment may incorporate existing documents and planning processes within the Department.

**(b) Implementation plan**

The Director, subject to the approval of the Council, shall prepare a plan to implement the Environmental Quality Policy Statement. The plan shall include an assessment of the activities of each departmental agency to mitigate or reduce any negative effects on environmental quality of agricultural policies, programs, and practices under their respective jurisdictions and shall describe in detail new departmental and agency-specific initiatives intended to achieve the goals and objectives of the policy statement. The plan shall be revised at least every 5 years.

**(c) Annual environmental quality report**

Not later than January 31, 1992, and annually thereafter, the Council, through the Director, shall prepare and submit an annual report to the Congress, other appropriate Federal and State agencies, and the public on the progress being made toward the goals and objectives established in the Environmental Quality Policy Statement. The report shall also include—

(1) a review of the environmental activities and initiatives of the Department during the preceding year;

(2) specific action taken to coordinate the environmental programs of the Department with programs of other Federal agencies and related State programs; and

(3) such recommendations as the Secretary considers appropriate regarding current or additional environmental protection programs, initiatives, or policies that will balance the needs of production agriculture while addressing environmental concerns.

**(d) Authorization of appropriations**

There are hereby authorized to be appropriated annually not to exceed \$2,000,000 to carry out this chapter.

(Pub. L. 101-624, title XIV, §1473, Nov. 28, 1990, 104 Stat. 3620; Pub. L. 102-237, title II, §201(d), Dec. 13, 1991, 105 Stat. 1847.)

AMENDMENTS

1991—Subsec. (a)(1). Pub. L. 102-237, §201(d)(1), substituted “paragraph (2)” for “subparagraph (B)”.

Subsec. (a)(2). Pub. L. 102-237, §201(d)(2), substituted “paragraph (1)” for “subparagraph (A)” in introductory provisions.

EFFECTIVE DATE OF 1991 AMENDMENT

Amendment by Pub. L. 102-237 effective as if included in the provision of the Food, Agriculture, Conservation, and Trade Act of 1990, Pub. L. 101-624, to which the amendment relates, see section 1101(b)(1) of Pub. L. 102-237, set out as a note under section 1421 of this title.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions in subsec. (c) of this section relating to submittal of annual report to Congress, see section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and page 49 of House Document No. 103-7.

**§ 5404. Good Neighbor Environmental Board****(a) Establishment**

The President shall establish an advisory board to be known as the Good Neighbor Environmental Board (hereinafter in this section referred to as the “Board”).

**(b) Purpose**

The purpose of the Board shall be to advise the President and the Congress on the need for implementation of environmental and infrastructure projects (including projects that affect agriculture, rural development, and human nutrition) within the States of the United States contiguous to Mexico in order to improve the quality of life of persons residing on the United States side of the border.

**(c) Membership**

The Board shall be composed of—

(1) representatives from the United States Government, including a representative from the Department of Agriculture and representatives from other appropriate agencies;

(2) representatives from the governments of the States of Arizona, California, New Mexico, and Texas; and

(3) representatives from private organizations, including community development, academic, health, environmental, and other non-governmental entities with experience and expertise on environmental and infrastructure problems along the southwest border.

**(d) Annual reports to President and Congress****(1) In general**

The Board shall submit to the President and the Congress of the United States an annual report on—

(A) the environmental and infrastructure projects referred to in subsection (a) of this section that have been implemented, and

(B) the need for the implementation of additional environmental and infrastructure projects.

**(2) Transmission of copies to Board members**

The Board shall—

(A) transmit to each member of the Board a copy of any report to be submitted pursuant to paragraph (1) at least 14 days before its submission, and

(B) allow each member of the Board to have 14 days within which to prepare and submit supplemental views with respect to the recommendations of the Board for inclusion in such report.

(Pub. L. 102-532, § 6, Oct. 27, 1992, 106 Stat. 3513.)

**CODIFICATION**

Section was enacted as part of the Enterprise for the Americas Initiative Act of 1992, and not as part of subtitle F (§1471 et seq.) of title XIV of Pub. L. 101-624 which comprises this chapter.

**DELEGATION OF AUTHORITY**

Authority of President under this section delegated to Administrator of Environmental Protection Agency by section 10 of Ex. Ord. No. 12916, May 13, 1994, 59 F.R. 25780, set out as a note under section 3473 of Title 19, Customs Duties.

**TERMINATION OF ADVISORY BOARDS**

Advisory boards established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year pe-

riod beginning on the date of their establishment, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by Congress, its duration is otherwise provided by law. See sections 3(2) and 14 of Pub. L. 92-463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

**§ 5405. Agricultural air quality research oversight****(a) Findings**

Congress finds that—

(1) various studies have alleged that agriculture is a source of PM-10 emissions;

(2) many of these studies have often been based on erroneous data;

(3) Federal research activities are currently being conducted by the Department of Agriculture to determine the true extent to which agricultural activities contribute to air pollution and to determine cost-effective ways in which the agricultural industry can reduce any pollution that exists; and

(4) any Federal policy recommendations that may be issued by any Federal agency to address air pollution problems related to agriculture or any other industrial activity should be based on sound scientific findings that are subject to adequate peer review and should take into account economic feasibility.

**(b) Purpose**

The purpose of this section is to encourage the Secretary of Agriculture to continue to strengthen vital research efforts related to agricultural air quality.

**(c) Oversight coordination****(1) Intergovernmental cooperation**

The Secretary shall, to the maximum extent practicable with respect to the Department of Agriculture and other Federal departments and agencies, ensure intergovernmental cooperation in research activities related to agricultural air quality and avoid duplication of the activities.

**(2) Correct data**

The Secretary shall, to the maximum extent practicable, ensure that the results of any research related to agricultural air quality conducted by Federal agencies not report erroneous data with respect to agricultural air quality.

**(d) Task force****(1) Establishment**

The Chief of the National Resources Conservation Service shall establish a task force to address agricultural air quality issues.

**(2) Composition**

The task force shall be comprised of employees of the Department of Agriculture, industry representatives, and other experts in the fields of agriculture and air quality.

**(3) Duties**

The task force shall advise the Secretary with respect to the role of the Secretary for providing oversight and coordination related to agricultural air quality.

#### § 5506. Water policy with respect to agrichemicals

##### (a) Authority

The Department of Agriculture shall be the principal Federal agency responsible and accountable for the development and delivery of educational programs, technical assistance, and research programs for the users and dealers of agrichemicals to insure that—

(1) the use, storage, and disposal of agrichemicals by users is prudent, economical, and environmentally sound; and

(2) agrichemical users, dealers, and the general public understand the implications of their actions and the potential effects on water.

The Secretary is authorized to undertake such programs and assistance in cooperation with other Federal, State, and local governments and agencies, and appropriate nonprofit organizations. The Secretary shall disseminate the results of efforts in extension, technical assistance, research, and related activities. The Secretary shall undertake activities under this subtitle in coordination with the Office of Agricultural Environmental Quality in section 5402 of this title.

##### (b) Effect on existing authority

The authority granted in subsection (a) of this section does not alter or effect the responsibility of the Environmental Protection Agency under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136 et seq.).

##### (c) Participation

The following agencies shall participate in the Department's water program: the Agricultural Research Service; the Agricultural Stabilization and Conservation Service; the Animal and Plant Health Inspection Service; the Cooperative State Research Service in conjunction with the system of State agricultural experiment stations; the Economic Research Service; the Extension Service, in conjunction with State and county cooperative extension services; the Forest Service; the National Agricultural Library; the National Agricultural Statistics Service; the Soil Conservation Service; and other agencies within the Department deemed appropriate by the Secretary.
